Heritage Preservation Director – Cultural Programs and Site Protection

Description

Develop and implement programs that preserve Caribbean agricultural heritage while protecting culturally significant sites within the community garden network.

Responsibilities

- Design heritage education programs for community members
- Document traditional farming methods and seed varieties
- Coordinate with cultural organizations and elders
- Develop interpretive materials for garden sites
- Organize cultural events and workshops
- Ensure respectful integration of heritage elements in garden design
- Collaborate with local historians and cultural practitioners
- Oversee preservation of historical plantation sites and artifacts

Qualifications

- Background in cultural preservation, anthropology, or related field
- Deep knowledge of Caribbean agricultural traditions
- Experience in community education and programming
- Strong connections to local cultural communities
- Bilingual capabilities (English, Dutch, Papiamentu)
- Passion for preserving cultural heritage

Job Benefits

- **XCG 75** per board meeting attended (monthly)
- **XCG 50** for committee meetings or additional cultural programming responsibilities
- Professional development opportunities and expense reimbursement
- Priority access to cultural preservation training and heritage programs
- *As FFGA grows and our revenue increases through expanded programs and partnerships, board stipends will grow accordingly*
