## Education Director – HAICI School and Community Learning Programs

### Description

Oversee educational initiatives including the HAICI School for Agriculture (Heritage Agrarian Institute of Caribbean Innovation) and community learning programs within the garden network.

### Responsibilities

- Develop curriculum for sustainable agriculture education at HAICI School
- Coordinate with HAICI School leadership and instructors
- Design community workshops and training programs for FFGA members
- Manage educational partnerships with schools and organizations
- Oversee volunteer training and certification programs
- Evaluate educational program effectiveness and student outcomes
- Support HAICI's goal of 100 online students and future 80 on-site students
- Integrate heritage preservation with modern agricultural education

### Qualifications

- Master's degree in Education, Agriculture, or related field
- 5+ years experience in educational program development
- Knowledge of sustainable agriculture and permaculture
- Experience with adult education and community training
- Strong presentation and facilitation skills
- Familiarity with online learning platforms (WordPress/Eduma theme experience preferred)

### Job Benefits

- **XCG 75** per board meeting attended (monthly)
- **XCG 50** for committee meetings or additional educational programming responsibilities
- Professional development opportunities and expense reimbursement
- Priority access to educational conferences and agricultural training programs
- *As FFGA grows and our revenue increases through expanded programs and partnerships, board stipends will grow accordingly*
